

I Can Do It Myself!

(Chant)

Every day is a learning experience with the children. Let them
do it themselves. They will learn to do it themselves. They will learn
to do it themselves.

Every day is a learning experience.

Every day is a learning experience. Let them do it themselves. Let
them do it themselves. Let them do it themselves. Let them do it
themselves. Let them do it themselves. Let them do it themselves.

Every day is a learning experience. Let them do it themselves. Let
them do it themselves. Let them do it themselves. Let them do it
themselves. Let them do it themselves. Let them do it themselves.
