

# Word-building

Look carefully at the changes in these words:

- take – taking
- hope – hopeful
- love – lovely
- try – trying
- try – tries

Now complete this spelling guide.

When a word has a silent *e* at the end, it usually loses this *e* when we add \_\_\_\_\_ but keeps it when we add \_\_\_\_\_ or \_\_\_\_\_.

Before adding an *e* to words that end in a consonant followed by *y*, change the \_\_\_\_\_ to \_\_\_\_\_.

Add *-ing* to these words.

- |                                  |                                   |
|----------------------------------|-----------------------------------|
| make + <i>-ing</i> becomes ..... | flame + <i>-ing</i> becomes ..... |
| move + <i>-ing</i> becomes ..... | close + <i>-ing</i> becomes ..... |
| swim + <i>-ing</i> becomes ..... | dance + <i>-ing</i> becomes ..... |

Add *-ful* to these words.

- |                                  |                                   |
|----------------------------------|-----------------------------------|
| hope + <i>-ful</i> becomes ..... | grace + <i>-ful</i> becomes ..... |
| hate + <i>-ful</i> becomes ..... | cure + <i>-ful</i> becomes .....  |
| use + <i>-ful</i> becomes .....  | taste + <i>-ful</i> becomes ..... |

Add an *e* to these words. Change the *y* only if you need to.

- |                                |                                   |
|--------------------------------|-----------------------------------|
| fly + <i>e</i> becomes .....   | dry + <i>e</i> becomes .....      |
| cry + <i>e</i> becomes .....   | multiply + <i>e</i> becomes ..... |
| carry + <i>e</i> becomes ..... | key + <i>e</i> becomes .....      |
| try + <i>e</i> becomes .....   | assembly + <i>e</i> becomes ..... |

Now write some *-ing*, *-ful*, and *e* words of your own.

- |                                   |                                   |
|-----------------------------------|-----------------------------------|
| ..... + <i>-ing</i> becomes ..... | ..... + <i>-ing</i> becomes ..... |
| ..... + <i>-ful</i> becomes ..... | ..... + <i>-ful</i> becomes ..... |
| ..... + <i>e</i> becomes .....    | ..... + <i>e</i> becomes .....    |
