

Directions: Pick a card. Count the fireflies on the card. Dab the number to show your answer.

Name: _____

Count and Dab

A grid of 20 numbered circles for counting and dabbing. The numbers are arranged as follows:

5	1	9	10	4	
3	7	5	6	1	7
2	4		2		8
10	8	3	9	6	

Three fireflies are scattered on the page, each with a dashed line trail. One firefly is near the number 6 in the second row, another is near the number 3 in the third row, and the third is near the number 6 in the fourth row.
