### Grade 2's Christmas Tree of Hope

Christmas celebration is the most special celebration for kids. One thing, which everyone likes about Christmas, is to see kids with twinkling eyes and smile waiting for their gifts and candies. The reason for Christmas is one but the meanings for Christmas are many. Let us make this year more special by asking some kids about their Christmas wish and what makes it so special for them.

Here are some of them:

I. "I wish everyone will be safe this Christmas ☺" - Let's help grant this wish by completing the information below. *Weather tips will be very useful to make every day a safe day for everybody. (Give 2 examples each.)*

Weather (Kind of Day)	What Shall We Do	What Shall We Wear	What Shall We Eat/Drink
Sunny Day			
Cloudy Day			
Windy Day			
Rainy/ Stormy Day			

II. "How I wish I could help other people in my own simple ways..." - Yes you can! We can help others with their daily activities by predicting the weather and simply looking at the clouds. Answer the questions that follow.

There's cumulus clouds outside!	How does it look like? (draw) 2pts	It suggests a _____ weather	We must _____ _____ _____ 2pts
---------------------------------	------------------------------------	-----------------------------	---

There's cirrus clouds outside!	How does it look like? (draw) 3pts	It suggests a _____ there is _____ change in weather	We must _____ _____ _____ 3pts
--------------------------------	------------------------------------	--	---
