

ENGLISH 11
CAREER RESEARCH PAPER
QUESTIONS FOR THE INTERVIEW

Required Questions:

1. Why did the person choose their career?
2. What was the biggest obstacle/challenge they encountered after high school to reach their goal?
3. Did their career turn out as expected? Better or worse? Why?

Person Interviewed: _____

Date and Time: _____

Required Signature: _____

You are required to have 10 questions. I will provide a few additional questions for you to consider

A few other to consider-

1. Does where you go to college have a major impact on your career?
2. What are the surprises (good and bad) they have encountered while in their profession?
3. If they could go back, would they have made a different choice? Why or why not?
