

The Contest

Once upon a time, there were three best friends (1) _____
(2) _____, and (3) _____. Sometimes very good at
something. (4) _____ was the (5) _____
(6) _____ was the (7) _____. And
(8) _____ was the (9) _____. Then one day, a
(10) _____ girl named (11) _____ arrived. She
was the (12) _____ girl in the world. The three boys each liked
her very much, and counted her as a girlfriend. They then had a competition to
see who was the (13) _____ boy. (14) _____ was
(15) _____ than (16) _____ but was (17) _____
than (18) _____. They then had another contest to see who was
the (19) _____. This time (20) _____ was
(21) _____ than (22) _____ but was
(23) _____ than (24) _____.
(25) _____ was very happy because he won two times. But
(26) _____ didn't like (27) _____ because he was
too (28) _____. Instead, she liked (29) _____
because he was the (30) _____. Two years later they got
married and moved to (31) _____. They lived happily ever after.
