

WORKS CITED THINK SHEET

Each table group will receive 4 different sources, which you will have to cite correctly. Please use your "Style Guide for Works Cited" blue booklet as an aid. Work as a group. On the backside of this sheet, you will create an actual WORKS CITED page (alphabetical order). Use the final page of the blue booklet as an aid.

Book:

- Bernstein, Carl and Bob Woodard. All The President's Men. New York: Touchstone, 1974.**
