

Pioneer Tools

Name: _____

Date: _____

A tool is any item that helps you to do work. The types of tools that have been used over the years have changed drastically. Can you draw a line from each tool to the job it does? Some tools of today do the same jobs that were done years ago. Keep in mind that animals are used to do work too!

Microwave	Cut wood	Horse and wagon
Lawnmower	Travel	Hand saw
Milking machine	Cooking	Grazing animals
Light bulb	Light home	Wood burner
Electric stove	Warming food	Candle
Car	Trimming grass	Hands and milk pail
