

## Map Worksheet II

This map was drawn in 2005 to celebrate the 375<sup>th</sup> birthday of Watertown. The artist has included buildings that we can still see, and other places that may only have a marker. She has put a solid mark when the building still exists and a hollow mark when the original structure is no longer there.

Using the map key, locate the following places on the map. Mark this worksheet, matching the name with the number.
