

Show me the MONEY!

Names of Table Members: _____

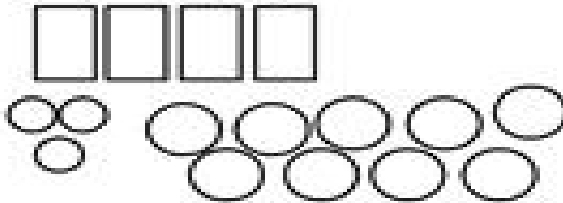

Date _____

Directions: As a table group, answer the following questions using your play money. Once you have made the answer with your money, draw it on this paper under that question. Then, write the amount as a decimal number.

Example:

1. Show "Four dollars and thirty-nine cents" with your money and as a decimal number.

Drawing:

Decimal number:

\$ _____

2. Show "One dollar and eight cents" with money and as a decimal number.

Drawing:

Decimal number:

\$ _____

3. Show "Two dollars and eighteen cents" with money and as a decimal number.

Drawing:

Decimal number:

\$ _____
