---

### PROFESSIONAL EXPERIENCE

**Teacher, Grades 5 to 8**, Our Lady of XYZ School – Miami, FL 20xx – Present

- Teach mathematics from grades five to eight, prepare eighth grade for the NYS mathematics assessment, and teach fifth through sixth grade health classes as well as sixth grade reading and religion.

**Teacher, Grades Pre-K to 8**, Holy XYZ School – Miami, FL 20xx – 20xx

Taught all grade levels and developed the new technology curriculum. Designed program to improve student learning and achievement through available computers, optical data, CDs, tapes, videos, and Internet access. Used technology to provide and support a challenging curriculum through collaborative, problem solving, problem-based learning, critical thinking, and project-based learning.

- Allowed students to communicate more efficiently; further developed and used technological skills in education, i.e. using MS Word, Publisher, and Access.

---

### ADDITIONAL EXPERIENCE
