

San La Salle College - Anniston

Name _____

School Picture Day!

By: *Michelle*

1. Sara was willing to live in the dorms for the next 30 minutes. She finally got her train to and then when she could get her book, she was ready to leave. Once she left her, she found herself under her feet. What a night she was! Sara didn't even stop to help her.

2. Sara went to class to see if she could get her books. She then went back to the Home Place (the room) and asked for another book. She then she chose a chocolate sandwich and potato chips. She then walked to the table and sat down.

3. Sara found Maya was sitting at the table and asked for help because she was tired of her class. "You look bad!" Maya said with an evil smile.

4. "Buddy is it?" Sara asked.

5. "Your picture will look interesting!" Maya said.

6. "What?" Sara asked.

7. "Yes, today is school picture day, remember?" Maya answered.

8. "Oh yes!" Sara cried. "I forgot! What am I going to do?"

9. She looked for Sara at high speed and then ran to the school office.

10. "Can I see my picture?" she asked the secretary.

11. "Yes, here it is!"
