

7 Habits of Highly Effective Teens Group Presentation Rubric

Objective – Your group will become experts on one of the Habits of Highly Effective Teens. Your group’s objective is to create a “mini-lesson” that is at least 20 minutes in length explaining/demonstrating your Habit.

Your “mini-lesson” needs to include the following:

1. Oral Presentation with all group members participating.
2. Some sort of “whole-class” activity related to your Habit.
3. At least one handout for each class member related to your Habit.

Below is the Rubric that will be used to assess your group’s mini-lesson.

	A Quality	B Quality	C Quality	F Quality
Oral Presentation	Presentation is at least 7 mins. and explains the topic presented with great accuracy and depth. (40pts)	Presentation is at least 5 mins. and explains the topic accurately and provides some details (35pts)	Presentation is at least 3 mins. and explains the topic. (30pts)	Presentation is less than 3 minutes and/or does not explain the topic accurately. (0 pts)
Whole Class Activity	Activity is directly related to the Habit presented and actively engages students. (30pts)	Activity is related to the Habit presented and engages students. (25pts)	Activity is minimally related to the Habit presented and/or does not engage students. (23pts)	Activity is not related to the Habit or no activity is presented. (0pts)
Handout	Handout is directly related to the Habit presented and provides excellent information for the students. (20pts)	Handout is related to the Habit presented and provides good information for the students. (17pts)	Handout is related to the Habit presented and provides some information for the students. (15pts)	Handout is unrelated to the Habit presented or no activity is presented. (0pts)
Group Work	Group worked well with all members participating equally. (10pts)	Group worked well with all members participating almost equally. (8pts)	Group completed the task but the work was not completed equally. (7pts)	Group did not complete all aspects of the task. (0pts)
