

1. Do you think there is intelligent life on other planets?
2. Some people claim to have seen UFOs (Unidentified Flying Objects) or to have flying saucers. Do you believe them?
3. What is your opinion of people who say that they can communicate with spirits? Have you ever taken part in a séance?
4. Do you have sympathy with psychic powers or clairvoyance powers?
5. Do you believe in astrology? Is there another power in the world with which you have a special understanding?
6. Would you not view an astrologer for a forecast of how your life will run in the future?
7. What does your marriage tell you about your personality and your compatibility with other people?
8. Do you believe in other forms of fortune-telling such as
 - palmistry?
 - horoscopes?
 - reading tea-leaves?
9. Do you think that the newspaper should have to report the facts?
For example, why should football clubs have to pay for agents?
