

What would you do if you could breathe underwater?	What would you do if you could speak to animals?
What would you do if you won \$1,000,000?	Where would you go first if you could travel around the world?
Who would you talk to if you could speak to the dead?	Who would you like to look like if you could look like anyone?
Who would you marry if you could marry anyone?	What would you wear everyday if no one cared about clothes?
Where would you live if you could live anywhere?	If you had to be in a TV show, which show would you choose?
What would you eat for the rest of your life if you could only eat one thing?	What song would you listen to for the rest of your life if you could only listen to one song?
