

Craftsmanship _____/10
Creativity _____/10
Completeness _____/5

Name: _____
Period: _____

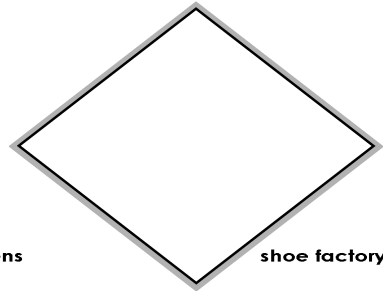

Road signs need to be easily read and quickly understood. They are immediate and practical. You will practice your ability to create images that are simple and meaningful. However, I want you to create something that is also personal and creative. Do not limit yourself to an obvious road sign for the available words. Rather, try to be creative in how you depict your images. The road sign concept is rather ordinary, but the topics are not.

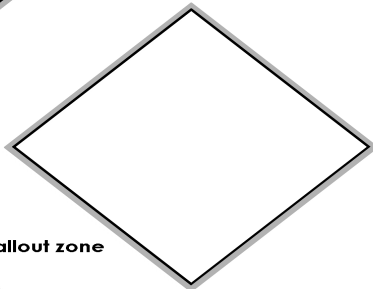

ant farm

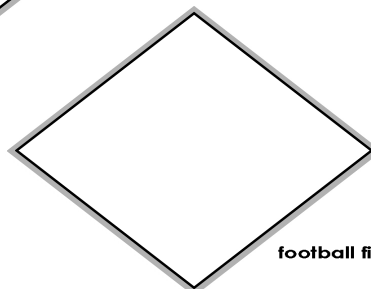

botanical gardens

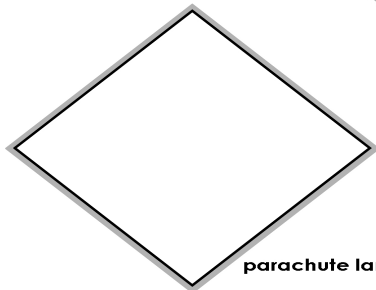

shoe factory

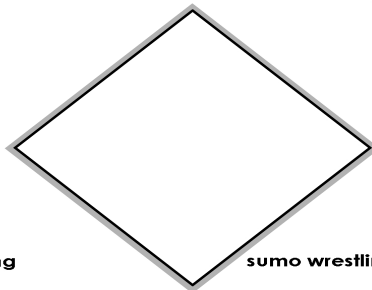

nuclear fallout zone

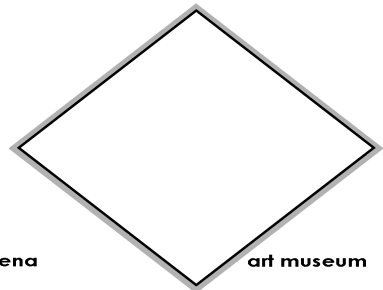

football field

parachute landing

sumo wrestling arena

art museum
