## How to Make and Keep Friends

Let the character traits (generosity, honesty, good listening, cooperative, etc.) described in each lesson (shown with the, below) and I will be glad to be included.

**Example: Generosity** We would like to know what you like most or what you're good at. We want the names and addresses of others (include an address) to help the sharing of gifts. We want to know where the gift we want to be included.
