

**Cause and Effect
Excuses**

Causes

You did a great job
watching your baby
sister...

Since it snowed over
three inches last
night...

If you eat all of your
vegetables at
dinner...

Because you made
such a mess in your
room today...

You did not do your
homework when I
asked you to...

Effects

You will get to pick
out something for
dessert.

You will not get to
play outside until it
is clear.

You have earned five
dollars.

We do not have
school today!

You can not watch
television for the
rest of the night.
