

Scott Foresman Science Grades 1-6 Custom Library Book Building Guide

Overview

1. Select the content you would like in your book.

A. Using list of selections on the attached form, check off each one you would like to include.

- Front Matter

All books will include:

- Title page
- Copyright page
- Custom table of contents

- Unit Divider Pages

These pages can be used to divide the book into units.

- They are optional to use and you do not have to use all four.

- Content Selections

Science Front Matter: *Science: See Learning in a Whole New Light*

- There are separate science front matter selections for each grade level.
- These selections are optional.

Chapters, Unit Reviews, & STEM Project Selections:

- The selections are organized by grade level. Their individual page counts are also included.
- You may mix selections from multiple grade levels into your book if they meet your needs.
- Chapters will be renumbered according to the sequence of your book.

- Endmatter

Glossary:

- There are separate glossary selections for each grade level.
- Glossary selection is optional.

Index:

- A customized index can be created to match the content you have chosen.

Credits:

- All books will include credits.

- Custom Cover

- Choose from 6 different cover choices
- Add custom text and optional state seal
