

Dear Rising Spanish Three Student,

Because you had multiple substitute teachers for much of Spanish Two this year I have prepared this packet of review work for you to complete online. It is imperative for you to practice throughout the summer and 1st trimester so that you do not forget the things you did learn in Spanish Two.

To this end, please complete the following assignments during the indicated months. I want you to be as prepared as possible to be successful in Spanish Three next year.

Sra. Bosnyak

First, register on the practice website:

Go to <http://www.conjuguemos.com/home/index.html>

Click the  button.

Click **Create a new Student Account** above the sign in box.

Enter School ID # 8954 .

Use your first and last name as your Username.

Choose a Password.

Submit and then select *Sra. Bosnyak* as your teacher.

Submit. You are now registered and can begin your practices.

Go to the Spanish grammar link on the left when you are ready to begin the practice activities.

The next time you visit the site you will simply sign in and continue with the assigned activities under either Spanish Grammar or Spanish Verbs.

***If you have trouble with the study material look through some lessons and try some practice activities on StudySpanish.com.**

***All *conjuguemos* activities are to be completed with “all verbs” and “all pronouns”.**

***All *conjuguemos* activities are to be completed within their designated months.**
