

Speech Homework – TH Sound Dot Game

Instructions: Find someone to play with you. Then, take turns choosing a word and, using your best sounds:

____ say it 5 times OR ____ say it in a sentence

When you have said your word/sentence correctly, you may draw a line between the two dots at the end of your word. Then, have your partner take a turn. The person that completes the 4th side of a square may write their name in the square and take another turn. The person with the most squares at the end of the game wins.
