

WORD GAME

Letter	Noun	Verb	Adjective	Clothes	Animal	Country	Total point

Total points: _____

How to play the game:

Min. 2 persons are playing on each board.

1. First player says "Begin" and the next player starts saying the alphabet voiceless.
2. First player says "Stop", and the other player tells which letter he/she has reached (eg. B)
3. All the players start to fill in the schedule.
4. First one who has got all filled in gets + 10 points .
5. If you have a word as the only one, you get 5 points , - if you share the word with someone you get 1 point. If you haven't a word or a word that is wrong, you get 0 points.
6. Finally you add all the points from each line and see who the winner is.
