

Name: _____

Date: _____

Write Compound Words

Some words are made up for two other words. When two short words make one long word, the long word is called a compound word.

Write the two words without a space between them to make one compound word.

Example: head + rest = headrest

snow + ball =

mail + box =

grand + mother =

rail + road =

moon + light =

sun + flower =

school + house =

skate + board =

can + not =

basket + ball =
