### DISCOVER THE BIRDS OF THE TAIGA

Above each letter, write the letter that comes immediately before it in the alphabet. This will break the "code" and help you discover the names of four birds in the taiga biome.

B  
 c p i f n j b o x b y x j o h  
 i b x l p x m  
 q j o f v s p t c f b l  
 s f e u i s p b u f e m p p m

Write the names of the four birds into the chart below. Use your research skills to complete the chart.
