## Career Evaluation Worksheet

Question	Yes	No
1. Are you satisfied with your survey		
results for career choices?		
2. Do you think you found enough		
information about your career?		
3. Do you like the type of tasks that your		
career will require you to do?		
4. Do you feel that there will be enough job		
opportunities for you when you are ready to		
begin your career?		
5. Are there opportunities for advancement		
in your chosen career path?		
6. Do you think you will be happy with the		
potential salary you will make in the future?		
7. If needed, are you willing to relocate to		
obtain a job in your career field?		
8. Do you feel your chosen career will allow		
you to have enough leisure time for		
yourself?		
9. Were you surprised by any other		
information you found on your career		
choice?		
10. Was this exercise helpful in defining		
your career objectives?		
Totals		

In the yes column, if you score:

 $\bf 0$  to  $\bf 6$  - talk with your teacher to re-evaluate your chosen career path  $\bf 7$  to  $\bf 10$  - go on to path  $\bf 5$
