Have your child cut three large diamond shapes from tagboard to make kites.

On the first kite, write *carry*. On the second kite, write *drop one nail*. On the third kite, write *Drop the ball*, and add *led*. Tape a horizontal

length of yarn to the back of each kite. Cut paper bows and on each one

write a verb such as *play*, *taste*, or *hurry*. Then tell your child to decide which

verb each word fits and tape the bows to the back of the corresponding kites.

Put the kites on a string and run outside with the kites flying behind her.

Run the kites by the loops at
