

# Winter is Mine

Some people don't like winter  
Some people think it's too cold  
I think they just like to complain  
Or maybe they're just too old

I like bundling up  
In coats with boots on my feet  
I like to see my breath fog up  
In the rain, or snow, or sleet

I like to break off icicles  
And break them for a drink  
In the winter the world goes quiet  
I like to listen and think

Some people don't like winter  
I say they just don't get it  
You might want sunshine all day  
But I say you can forget it
