

MARK

MY SUMMER HOLIDAYS

I usually spend my summer holidays with my grandparents who live in the country. My brother, my sister and I stay with them for two months. I ride a horse every day. My siblings and I often go swimming in the lake. We sometimes fly a kite or play badminton. When it's rainy, we do puzzles or play board games.

I always go to the mountains with my parents and my sister in summer. We hike and admire beautiful landscapes every day. We often look through binoculars at birds. We sometimes visit museums and see the monuments. On a rainy day, we buy ice cream and play board games.

BETTY

My family and I usually go to the beach in summer. We love spending our time on the beach. My brother and I build sandcastles or play beach volleyball. My parents read books and read books. We often walk along the beach and collect seashells in the afternoon. In the evening, we watch the sunset.
