

My Summer Vacation

Who doesn't like the summer vacation? I know that I do. Every summer I do many special things. This summer I went to visit with my family. We stayed at my sister's house and went doing almost every day. Then we stayed at the Royal Beach hotel for five days. We had a great time there.

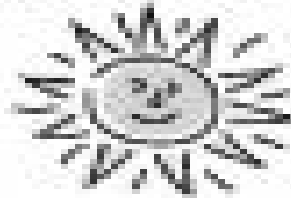

When we come back to school, we had to pack all of our things and we moved to Parkville High , to live at my parents' house. Sometimes I took my kids to my father's orchard, to swim in the swimming pool and to play with the animals there. I had a lot of time to spend with my family and this is what I like the most.

I can't wait for the next summer , however I need to wait for a whole year. What a shame.

Now you write about your own vacation.
