

Distracted driving

eslflow.com

Put the notes below into the outline on the previous page.

inexperienced

*don't think about the possible
consequences of their actions*

lose concentration

*texting, talking on the phone, looking at maps can result in
serious accidents*

*Have you ever noticed
someone in front of you
driving strangely?*

driving is much more important than texting

Families are broken.

young people feel too comfortable and safe

life-destroying

*I encourage everyone not to use electronic
devices while driving. Help keep our society safe*

*In a world of mobile technology, distracted
driving is a bigger problem than in the past.*

irresponsible

*there should be more education
about distracted driving*

Cade Reynolds was 16 when killed by a distracted driver.
