

# My Self-Reliant Goals

"As we live providently and increase our gifts and talents, we become more self-reliant. Self-reliance is taking responsibility for our own spiritual and temporal welfare and for those whom heavenly Father has entrusted to our care. Only when we are self-reliant can we truly emulate the Savior in serving and blessing others. Our ultimate goal is to become like the Savior, and that goal is enhanced by our unselfish service to others. Our ability to serve is increased or diminished by the level of our self-reliance." Elder Robert D. Hales of the Quorum of the Twelve Apostles, "Becoming Self-Reliant," Ensign Jan 2010
