Lesson Title: Career Interest Inventory

Indicator: 3-5.2.1

Objective: Students will use a career interest inventory to identify career interests.

Grade Level: 3rd – 5th

Length: 30-45 minutes

Materials:

Use attached sheets “Elementary Student Career Interest Inventory”

Procedure:

1. Read directions to interest inventory out loud to entire class. Have students complete the interest inventory.
2. Have students complete the scoring on page 1 and figure out their career cluster.
3. Students can share their findings with the entire class or can partner share to find out what others have the same interests as them.

Evaluation: Completion of Interest Inventory
