

**Read the following passage. Then answer the questions.**

Riyadh has a very big zoo with lots of different kinds of animals and birds. There are some animals, such as the tigers and lions, which are kept in strong cages, because they are dangerous to people. They eat a lot of uncooked meat. Everyone likes to watch the elephant walking. It is the biggest animal on earth but it is friendly. It eats 250 kg of grass daily. The monkeys are my favorite animals, because they are so funny and they make us laugh. They eat nuts and bananas. The guard always tells the visitors not to feed the animals. Because all the children enjoy watching the animals, our class is going to visit the zoo tomorrow.
