### Sentences Worksheet (Underlining Part 1)

A sentence is a group of words that expresses a complete thought. They are made up of a subject and a predicate. A subject is whom or what the sentence is about and the predicate is the action the subject does.

Directions: Read each sentence. Draw one line under the subject part and two lines under the predicate part.

*Example A- David went to the park to play soccer.*

*Answer- David went to the park to play soccer.*
