

Art History PowerPoint Worksheet

Websites: The following are websites that may be used to help you find some of the answers.

<http://www.artchive.com>
www.wikipedia.org

Write your answers on a separate piece of paper..

Slide 1: Title Page

Slide 2: The Venus of Willendorf is a very early piece of religious art done in a style unlike anything we see today. When was she discovered and whom do they think created her?

Slide 3: We have seen the Great Pyramids in magazines, on television, and in the movies. In general, we know they are found in Egypt but where are they specifically located? Who ordered the building of the largest of the pyramids?

Slide 4: What is the leading theory on how Stonehenge was built?

Slide 5: The Parthenon was in pretty good shape until sometime in the 20th Century. What happened to create most of the destruction we see in pictures?

Slide 6: Where is Nike of Samothrace on display?

Slide 7: What languages are represented on the Rosetta Stone? Where is it displayed?

Slide 8: What was the Pantheon used for after it was built?

Slide 9: Since it was built in 537, what has the Hagia Sophia been used for?

Slide 10: What is the height of the tallest spires found atop Chartres?

Slide 11: Where did Jan van Eyck live most of his life?

Slide 12: Give a detailed description of how Michelangelo created the frescoes on the ceiling of the Sistine Chapel.

Slide 13: Is the Last Supper a painting like you would hang on your wall? If its not, what is it?
