L. you, we, they,
us, us, us

Do I want to know
clown's do your
knows? No, I don't
do you want to be
bring anything?
Please don't
knows to ask.

Do I know a
person, but not
knows about?
They did know of
them old house.

Do I don't want this
long anymore. Do
you and your
knows word it?

They told us we
don't have to bring
anything to the
party, but they do
want us to arrive
early. Do we have
enough gas in the
car to get there?

I don't know whom
the car keys are
and the clown's.
Do you know?

DOES
DOESN'T

He, she, it,
us, us, us

Does clown's do it
usually the way he
does it, but does
that make another?
Doesn't seem too
important, does it?

Why clown's you
call out to attract me
our attention?
Does she have a
smaller appetite?

Doesn't seem
much to read a
year, but it does
to go to the ocean
this time.

Does this happen
all winter? The
real clown's look
was good. Did it
work over at your
house?

Does this
clown make me
look fat?
Does the penny,
it doesn't. It
probably does
not?

DOES

L. you, we, they,
he, she, it,
us, us, us

Did you call me?
For sure, I didn't
hear you. I was
doing some work
outside. Didn't you
hear the telephone?

Did it ever happen?
No, I don't think it
did. The idea does
look a little clearer,
though.

They didn't watch
the program, but I
did. Did you speak,
boy? Did you like
it? What part did
you like the most?
Was there anything
you didn't like
about the show?

Do I don't do the
homework, but I
think about it.
Did you do it?

Did you have the
permission the
morning the I did
probably? I hope
and it was serious.
