

Name	Circle (if)	Date	April 2018
------	-------------	------	------------

Read the paragraph(s) and use it to answer the following questions. Write the correct complete sentence answers.

Reading passage
Paragraph 1

Paragraph 1: The first paragraph describes the author's view on the importance of the internet in the modern world. It states that the internet has become an essential part of our lives and that it has changed the way we live and work.

Paragraph 2: The second paragraph discusses the benefits of the internet, such as the ability to access information quickly and easily. It also mentions that the internet has made it possible for people to communicate with each other from anywhere in the world.

Paragraph 3: The third paragraph talks about the challenges of the internet, such as the risk of identity theft and the spread of false information. It also mentions that the internet has made it easier for people to be bullied or harassed online.

Paragraph 4: The fourth paragraph discusses the future of the internet and how it is likely to continue to shape our lives. It mentions that as technology advances, the internet will become even more integrated into our daily lives.

Paragraph 5: The fifth paragraph concludes the passage by stating that while the internet has many benefits, it also has some drawbacks. However, the author believes that the benefits of the internet far outweigh the drawbacks and that it will continue to be an important part of our lives.
