The song I like to listen to the most is _____. Nice to meet you all.

Activities:

- 1) Getting to know your classmates is a very important step for every student. So to get off on the right foot, you must find at least 3 people that like things that are strange to you. So you might have to introduce yourself to more than 3 people if you can't find strange things.
- 2) Ask your mother, father and any siblings how they would answer this so you can introduce them to the class tomorrow.
