Once upon a time a little girl called (1) \_\_\_\_\_ Riding Hood took a (2) \_\_\_\_\_ of (3) \_\_\_\_\_ to her (4) \_\_\_\_\_ grandmother who lived in a (5) \_\_\_\_\_ at the edge of the forest.

On the way a big bad (6) \_\_\_\_\_ stopped her and asked where she was going. The big bad (6) \_\_\_\_\_ ran ahead to the grandmother's (5) \_\_\_\_\_. He ate the grandmother in (7) \_\_\_\_\_ gulps and then got into a (8) \_\_\_\_\_

When little (1) \_\_\_\_\_ Riding Hood saw her grandmother she said, 'Oh grandmother, what big \_\_\_\_\_ you have!'

The (6) \_\_\_\_\_ jumped out and the little girl screamed. A (10) \_\_\_\_\_ heard her and killed the (6) \_\_\_\_\_ with his (11) \_\_\_\_\_

The grandmother was OK and they all lived happily ever after.
