

## Practice with Quantifiers and Negation

### Quantifiers (general and arithmetic forms)

Put the following words and phrases into the correct form:

1. The chance of a meteorite hitting us  
\_\_\_\_\_.
2. The chance of a meteorite hitting us  
\_\_\_\_\_.
3. The chance of a meteorite hitting us for the first time  
\_\_\_\_\_.
4. The chance of a meteorite hitting us for the first time  
\_\_\_\_\_.
5. The chance of a meteorite hitting us for the first time  
\_\_\_\_\_.
6. The chance of a meteorite hitting us for the first time  
\_\_\_\_\_.

### Negatives (general and arithmetic forms)

Give the correct form of the quantifier in brackets.

1. We \_\_\_\_\_ (never) see a meteorite.
2. We \_\_\_\_\_ (never) see a meteorite.
3. We \_\_\_\_\_ (never) see a meteorite.
4. We \_\_\_\_\_ (never) see a meteorite.
5. We \_\_\_\_\_ (never) see a meteorite.
6. We \_\_\_\_\_ (never) see a meteorite.
