Project Perimeter

The long-awaited United Space Station is finally opening! A press conference has been scheduled, and you have been asked to prepare and present information about the perimeter of each room in the space station. Find the perimeter of each room in the diagram by measuring the room's sides to the nearest inch or half inch. Then record the perimeter in the chart provided.

Room	Perimeter
1. Fuel	
2. Engine Room	
3. Medical Lab	
4. Space Research Center	
5. Oxygen Tanks	
6. Food and Water Storage	
7. Recreation Room	
8. Sleeping Area	
9. Dining Area	
10. Observation Deck
