**Read the text carefully.**

Michelle Brown is a new girl. Her family and friends call her Mimi. That is her nickname. She is eight years old and her birthday is on 22nd August.

Michelle is studying at the town of Poughkeepsie for three years. She has got a brother and a sister. They study at Lakota. Mimi's favorite subjects are Art and Gym. She is a good student.

Mimi's father is John Brown, another father is Michael Brown. John is a teacher and Lisa is a doctor. They are 40 and 42.

The Browns have got two pets: a cat (Mimi) and a dog (Mimi). They love animals especially Mimi's cat. She is playing with Mimi. The cat arrives quickly and often.

The Browns like being at Poughkeepsie because the weather is sunny, the people are nice and sports facilities excellent, but they like Poughkeepsie because of Mimi's school.

**Read the text.**

Michelle is studying at Poughkeepsie for three years. Michelle is a good student.

Michelle is studying at Poughkeepsie for three years.
