

CAREER GOAL QUESTIONNAIRE

Worksheet

In order to be realistic about your career goals, you need to know yourself and ask yourself the following questions and **explain why**:

1. Am I happy with the money I am making?

2. Do I enjoy my current job?

3. What field of work am I interested in?

4. Do I want a new job or a promotion?

5. What barriers are preventing me from doing the job I want?

6. What type of changes are needed for me to be happy at work?

7. Is getting a promotion or a new job a realistic goal?

8 Am I prepared to make any necessary changes?
