

Good Morning, Groundhog

(sing to the tune of "See You Sleeping")

Uffo groundhog, uffo groundhog
Underground, underground
Now it's time to wake up!
Now it's time to wake up!
Stash and stretch,
Stash and stretch.

Uffo groundhog, uffo groundhog
Underground, underground
Climb out of your burrow
Climb out of your burrow
Look around,
Look around.

Uffo groundhog, uffo groundhog
Underground, underground
Do you see your shadow?
Do you see your shadow?
Down you turn!
Down you turn!

For more movement fun,
encourage your preschoolers
to dramatize the song as they
sing.
