### Irregular Plural Nouns Worksheet

Some nouns are irregular. There are no spelling rules for making these nouns plural. You just need to remember how to spell these words.

Directions: Write the plural form of each singular noun below and label it a person, place, or thing. After, write a sentence with the plural form.

Example A- child- children, person- The children went to the assembly after lunch.

1. woman- \_\_\_\_\_ - \_\_\_\_\_
