

12 Steps of PTSD

Randy J. Hartman, Ph.D.

Acute Anxiety	Panic/anxiety episodes
Depression	Self-esteem is a distant and equal
Resentment	Distressing others
Anger	Fight or flight developing
Fear	PTSD is now forming
Anxiety	Mixed episodes occur
Self-Worth Dissipating	Feeling worthless
Shame	Filled with shame; who else knows?
Guilt	Feeling guilty; how responsible am I?
Confusion	Trying to remember; can I trust my memory?
Pain	Emotional, spiritual & physical pain
Activating Event(s)	Any event that causes distress
