

# My favourite animal

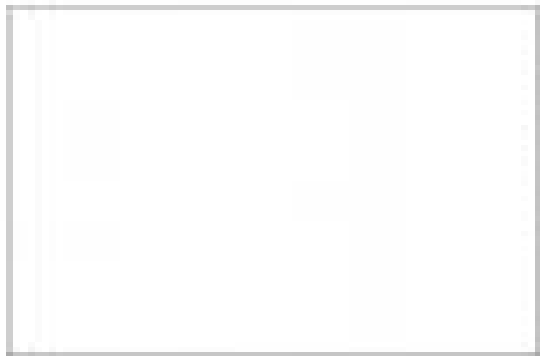

My favourite animal is the giraffe.  
It is yellow and it has got brown patches.  
It has got four legs and a tail.  
It has got a very long neck.  
It has got two horns on the head.  
It lives on the plains of Africa.  
It can clean its ears with its tongue.  
Giraffes eat the leaves from the trees.

Now, it's your turn!

Describe your favourite animal following the model above.

Then, draw it and colour it!
