

14. PARTS-OF-SPEECH MAGIC SQUARE

Match each word in Group A with its description in Group B. Each word is used only once. Write the correct number in the correct square. If your answers are correct, all columns, rows, and the two diagonals adding to the same number. Check how many guesses it took you to get started.

A =

B = 16

C =

D =

E =

F =

G =

H =

I =

J =

K =

L =

M =

N =

O =

P =

Q =

R =

S =

T =
