

Teacher's Guide

Intermediate Communication 4: An advertisement

General aims:

What do the students know?

How many do they know about?

The teacher starts to give an example, using the name of a food preparation, fruit, vegetable, country, like "orange" and the first student has to say the name of another food that starts with the first letter of the word said before, like "Apple" and the other student must do the same, like "Apple", and so on.

What is the goal?

The aim is to be able to know or to understand:

the first letter of an advertisement

what is your favourite food or fruit?

Do you like to travel? the weekend or when does your family go?

What is your job?

Where you go to school, when do you normally start?

Do you have a house?

What is your favourite?

Do you prefer what makes a delicious food?

What is the language?

The teacher has to read and take notes to search the words in the text with the students. Write any vocabulary problems, if necessary.

Match the words in the text with the statements.

1. Breakfast - 2. work - 3. travel - 4. sleep - 5. home

1) Many people in China don't like very cold weather because they don't like, like, and ____.

2. breakfast
