

Teacher's Guide

Intermediate Communication 4: An advertisement

General aims:

What do the students know?

How many do they know about?

The teacher starts to give an example, using the name of a food preparation, fruit, vegetable, country, like "orange" and the first student has to say the name of another food that starts with the first letter of the word said before, like "Apple" and the other student must do the same, like "Apple", and so on.

What is the goal?

The aim is to be able to know or to understand

the new vocabulary or to understand

what is your favourite food or fruit?

Do you like to travel? the weekend or when does your family go?

Which one? Why?

Where you go there, when do you normally visit?

Do you enjoy it?

Which one is your favourite?

Is your opinion about nature a common one?

What is the language?

The teacher has to read and talk about to search the words in the text and the questions. Write the vocabulary patterns if necessary.

Match the words in the text with the statements.

1. Boring - 2. good - 3. nice - 4. bad - 5. great

1) Many people think that there are real no-makeup women's days, like, well, just _____

_____.

2) They like to _____ and experience _____.

3) Would you like to travel with your _____?

4) Would you _____ _____?

5) What kind of _____ would you like with your family? What about, usually, or seldom?

What is the activity?

Give the students to the students and then to read it before any vocabulary patterns, if necessary and activities to answer the questions.

Student 1: What is the best part?

Student 2: How do you like to travel with your family?

Student 3: What is your favourite food?
